Bridge Inspections Saturday on the Dan Ryan at the Stevenson

CHICAGO – The Illinois Department of Transportation (IDOT) announced that lane and ramp closures will take place on the Dan Ryan Expressway (Interstate 90/94) at the Stevenson Expressway (Interstate 55), in Chicago, for bridge inspections, weather permitting, Saturday July 8.

Beginning at 1 a.m. Saturday, a lane closure will take place on the outbound Dan Ryan Expressway near the inbound Stevenson Expressway. The ramp from the outbound Dan Ryan to the inbound Stevenson will be closed, as well as the Canalport Avenue entrance ramp to the Stevenson.

As a suggested detour, motorists should continue southbound on the Dan Ryan Expressway, exit at 35th Street and re-enter the northbound Dan Ryan to access the Stevenson. The bridge inspections are expected to be completed by 6 a.m. Saturday.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
